

OUR HARVEST LIST

Jesus spoke of the harvest of souls in Matthew 9:37. This great spiritual need not only requires more workers, but much prayer.

Throughout 2023, you are invited to pray daily for the salvation of **five** people you know.

In addition to praying for them, consider how you might reach them with the Gospel. This could be through an outreach event or personal testimony.

As we focus on Acts 1:8 this year, we pray that God would work a great work of salvation in the lives of those on our list.
