In August, I was thankful for an opportunity to return to serve at Camp Logos, share the GMSA south of the border, and visit with friends from Chile!

returning to Camp Logos:

Late last July, an unexpected invitation led to a last-minute road trip to a state park in southern Ohio. I spent a week serving as a counsellor at Camp Logos and getting to know the families of Athens, Salem, New Lexington and Butler Bible Churches. The name "Camp Logos" refers back to the Greek *λογος* ("Word") used in John 1:1 – "In the beginning was the Word". Jesus is the Word of God, and the camp's purpose is to share Him with children and youth as they grow in their understanding of the Bible.

This year, I was invited to return as a camp speaker, and the Junior campers and I spent the week in the book of Acts. We learned more about its Author, when and why the book was written, and how we can apply its truth to our lives. Just as the apostles were eyewitnesses to the gospel, we also have the opportunity and responsibility to be witnesses to all that we have seen God do! After the chaos of July, I was thankful for quiet afternoons at camp to rest, read, and spend time with my Ohioan brothers and sisters in Christ.

visitors from Chile:

The Maluenda family arrived in Canada mid-July and it has been a privilege to have them here with us for a few weeks at New Life Camp. Like true Canadians, we introduced

Like true Canadians, we introduced them to Niagara Falls, maple syrup, and Tim Horton's. Like true Chileans, they shared the *asado* (wood-fire barbeque) tradition with us. Their flight left Toronto last week, and I'll see them next when I return to Chile!

My GMSA co-worker Sharon Bisbee also made her first official visit to Canada this month. In 2017, I served in her ministry in northern Chile while she was on furlough in the States. I was encouraged to spend time with Sharon, hear how the church in Alto Hospicio has continued to grow over the past two years and get an update on all of my Chilean friends in the north.

praise:

- opportunities to present the GMSA in Athens, OH; Salem, OH; and Butler, PA
- continued encouragement from supporting churches and GMSA co-workers
- open doors to be a witness to my co-workers and my patients at LMH

prayer:

- beginning visa paperwork and preparing for the logistics of moving abroad
- a divinely orchestrated schedule, balancing ministry and deputation responsibilities with shift work
- God's continued guidance and provision throughout the deputation process

upcoming updates:

I was in Kincardine last evening, sharing an update on the summer, and I'm looking forward to visiting more churches here in Ontario this fall!
