**Is not this the kind of fasting I have chosen:
To loose the chains of injustice
And untie the cords of the yoke,
To set the oppressed free
And break every yoke?
Is it not to share your food with the hungry
And to provide the poor wanderer with shelter-
When you see the naked, to clothe them,
And not to turn away from your own flesh and blood?
Then your light will break forth like the dawn,
And your healing will quickly appear;
Then your righteousness will go before you,
And the glory of the Lord will be your rear guard.
Then you will call, and the Lord will answer;
You will cry for help, and He will say: Here I am.
Isaiah 58: 6-9a**

Our Christian brothers and sisters in Myanmar urgently request us to pray for their country. Myanmar (formerly known as Burma) is in a state of turmoil and unrest. The military has taken over full power and is cracking down on all dissenters and peaceful protesters. At least three or more were shot down and many others injured just a few days ago. The protests continue throughout the country as the people are fed up with the military dictatorship that has been basically controlling the country since 1965. That is more than 50 years of suffering an oppressive and very cruel regime. Brief moments of freedom have been followed by severe crackdowns.

There are many Christians in Myanmar who are enduring this fate. That includes our dedicated and beloved FLC evangelists, pastors, church members and Barefoot Doctors serving throughout the country. They are doing the best they can to remain peaceful and prayerful, reaching out with the love of Jesus and helping the people in every way they can, physically and spiritually. Thankfully, I was able to send donations to our evangelists and Barefoot Doctors in December to help them with the Covid 19 lockdown. It is more severe in Myanmar than in Thailand. The evangelists exchanged the funds for rice, eggs, oil, canned fish and other needs and distributed them to the needy people in their area. They were also able to share the good news of Jesus' love and sacrifice for them with new life and hope for all who believe. The people were very touched and encouraged by the love and care they received.

Thanks to your support and prayers, I was able to send funds again this month just before the military closed down the banks and the internet. They really hate that the people of Myanmar can share freely on the internet and contact friends and family overseas. So they closed it down as much as they could. I was able to talk to Evangelist Timothy who is based in Tachilek, Shan State, right before the crackdown. He shared his gratitude to all of you for your support and prayers. Timothy also asked us to pray for their protection as the military is now roaming the streets, looking to attack anyone they deem out of line.

Please pray for reform in the Myanmar government and for the peoples' safety and their physical and spiritual needs to be met through God's love, mercy and His great power. I included pictures from three of our FLC evangelists in Myanmar and two recent news articles that explain what is happening in Myanmar for you to pray over.

Thank you so much for your prayers and support!

May God bless you abundantly and provide His peace and purpose for you,

Beverley
